improve the Finances for the above noted items, It is therefore very necessary to levy Tax @ 2 annas per Rupee on Mohatarfa Tax now proposed.

At present this Tax is being levied at Davangere, Shimoga et al at the rate of 8 annas per Rupee or 50% on Mohatarfa Tax. The rate of Tax proposed to be levied in this Municipality is admissible under the Municipal Act and is in accordance with the rate adopted in several other Municipalities and it is not abnormal and is quite reasonable.

All the legal formalities have been observed while proposing the levy of Tax on this item afresh. There is no objection from any body and the present water Supply Bye-laws will apply to this item also.

In view of the urgent necessity to improve the Finances of the Municipality, I request you to kindly obtain sanction of Government to the Resolution of the Council so that the Tax may be levied and collected from the 2nd Half year 1948-49.

Yours Faithfully,

PRESIDENT,
TOWN MUNICIPAL COUNCIL,
CHITALDRUG.
